

HeartCode® BLS – (Blended BLS Renewal)

Schedule and Information

The American Heart Association’s HeartCode® BLS Course is for the health care provider who is seeking an alternative method for completing their BLS renewal course. This course uses a combination of e-learning and an in-person instructor-led skills practice and testing session. Upon registration and payment, the student will be issued a non-refundable online key code for the cognitive portion of the course. After completing the online portion, students attend a structured BLS hands-on session. This session focuses on meaningful skills practice and skills testing. A course completion card will be issued upon successful completion of the course requirements.
